Applications for loans for sums exceeding Rs. 1,000 should be submitted to Government for sanction.

III. The ordinary rate of interest charged on loans granted under these rules, shall be 6½ per cent per annum. Penal interest at the rate of 9 per cent shall be charged on overdue instalments.

PERIOD ALLOWED FOR RE PAYMENT.

IV. The loan shall be repayable in fixed annual instalments, discharging both principal and interest. The period allowed for the repayment of the entire loan shall not exceed ten years.

SECURITY.

V. No loan under these rules shall be granted, unless the borrower offers as security, immovable property including that for improving which the loan is taken, whose total market value is at least equivalent to 1½ times the amount of the loan asked for. In the case of loans for the purchase of machinery, however, the machinery purchased with the loan shall be mortgaged to Government and immovable property worth not less than half the amount of the loan shall be given as collateral security. The borrower shall further agree, that, in case of any infringement of the conditions on which the loan is sanctioned, any sum which may remain due from him, together with interest thereon, may be recovered from him as an arrear of land revenue under the Land Revenue Code a clause to this effect shall be inserted in the document to be executed by the borrower.

The Director of Agriculture may, in his discretion, grant a loan not exceeding Rs. 100 on the personal security of the borrower.

MANNER OF APPLICATION.

VI. Applications shall, in the first instance, be made to the Sericultural Inspector or other official of the Sericultural Department, stationed in the Taluk or District. In the case of loans for setting up rearing houses or raising mulberry plantations the applicant shall furnish along with his application, a plan of the lands and structures and give a brief outline with estimates of cost of the operations intended to be undertaken with the help of the loan. After full enquiry, as to the nature of the work proposed to be undertaken by the applicant and the adequacy of the security offered, the application shall be forwarded to the Superintendent of Sericulture, who may dispose of them, if, within his powers of sanction, or forward them, with his recommendation and the records of enquiry, to the Director of Agriculture, for disposal, provided that the Superintendent of Sericulture shall himself investigate applications for loans in excess of Rs. 1,000. On requisitions made by the Superintendent of Sericulture Sub-Registrars and other officers in charge of Sub-Registry Offices, shall furnish, promptly, certificates as to the existence or non-existence of encumbrances, in respect of any property offered as security for the loan.

DISBURSEMENT OF LOAN AND RECOVERY, AND ACCOUNTS AND RETURNS RELATING TO IT.

VII. The Superintendent of Sericulture will be responsible to see to the due execution of the necessary documents and the disbursement of the loans; and he should satisfy himself that the security offered is adequate. The accounts relating to the loans shall be maintained in the Superintendent's Office and the responsibility for the recovery of the loans will lie on him. If the instalments of the loans are not paid in time, and coercive measures are found to be necessary, the Superintendent should furnish to the Deputy Commissioner of the District concerned, a statement duly certified, showing the arrears due, whereupon the Deputy Commissioner will take steps to recover the dues as arrears of land revenue. With a view to enable the Deputy Commissioners to check the work done by the Subordinate Revenue Officers in this respect, a register should be maintained in the Deputy Commissioner's Office as in the case of Co-operative Societies under execution by Revenue authorities. The Amildar of each taluk should submit to the Deputy Commissioner half-yearly statements of progress in recoveries before the 15th of January and July each year. The Deputy Commissioner should review these returns and forward copies of the review to the Revenue Commissioner and the Director of Agriculture, not later than the 1st February and 1st August each year. The check register in the Deputy Commissioner's Office and the Coercive Steps Register in the Taluk Office must be posted from time to time as per Government Order No. 1. C. 6794-6804—A. & E. 369-24-1, dated 7th April 1925.

The Director of Agriculture should submit these returns as also the reviews of collections as received from the Deputy Commissioners to Government within the 15th August and the 15th February each year with a report.

In the

case of loans for other purposes, the person taking the loan shall be amenable to such technical instruction as may be given by the officers of the Sericultural Department.
